MANAGING EDITOR

THE COMMERCIAL APPEAL

April 1, 1993

Harold Weisberg
7627 Old Receiver Road
Frederickm, MD 27102

Dear Mr. Weisberg:

Thank you for your letter of March 21st. Although we did review thousands of documents obtained under the FOIA for our story about Army spying, much of the critical material resides in archives not subject to FOIA.

We are not in a position to swap files right now as we may need to make further use of information we carefully gathered or reviewed over many months.

With best regards,

Henry A. Stokes
